Attention:
All applicants for Water Supply Product Certification

Dear Sir/ Madam,

SUBMISSION OF BUSINESS TRADING LICENCE FOR THE APPLICATION OF WATER SUPPLY PRODUCT CERTIFICATION

Reference is made to the above-mentioned subject.

2. Please be informed that our Ministry is now in the process of improving the application process for Water Supply Product Certification, whereby the current online system will be replaced by more structured and permanent system (the name of the system will be officially announced by our Ministry soon). With this new system, applicants will be able to apply or renew their Water Supply Product Certificates online and upload the necessary documents.

3. As part of the improvement process, we seek cooperation from all Water Supply Product Certificate holders to provide us with a copy of the **Business Trading Licence** of your company as this is one of the criteria which are mandatory for our new online application system.

4. Applicants are also required to upload the documents as listed in Appendix 1. At the moment we still require hard copies of these documents to be submitted to our Ministry together with the application letter as shown in Appendix 2.

5. Kindly send a copy of the licence as mentioned in paragraph 3 above via fax to the secretariat of Technical Permanent Sub-Committee at 082-551107 or email the scanned copy of the licence to the contact officers listed below. Your kind attention and cooperation would therefore be greatly appreciated.

Thank you.
